The shimmering sea, the sea shines

The shimmering sea, the sea shines.

Ooh..... Ooh.....

While by day it spangles, diamonds in the blue,

Diamonds in the blue, diamonds, diamonds, diamonds.

The shimmering sea, the sea shines.

Mid

The shimmering sea, the shimmering sea shines.

The shimmering sea, the shimmering sea shines.

Ooh..... Ooh..... Ooh.....

Diamonds in the blue, diamonds in the blue, diamonds, diamonds.

The shimmering sea, the shimmering sea shines.

Low

Silver in the moonlight mm

(mm)/ Silver in the moonlight.

While by day it spangles, diamonds in the blue,

While by day it spangles in the blue,

Ooh..... diamonds.

The sea shines
