

Still, Still, Still

Trad Austrian carol

Still, still, still, let all the world be still (still)

While Mary's little child lies sleeping

Angels guard are quietly keeping

Still, still, still, let all the world be still

Love, love, love, my heart is filled with love (love)

The world from night is slowly turning

Still my heart with love is yearning

Love, love, love, my heart is filled with love

Still, still, still, let all the world be still (Ah)

In gentle Mary's sweet caressing

Jesus gives his silent blessing

Still, still, still, let all the world be still

(All) Still
