

The Little Cradle Rocks

The cradle rocks in glory, in glory
In, glory, in glory, in glory, in glory
The cradle rocks in glory, in glory
The Christ child born in glory

Peace on earth, the cradle, the cradle
The cradle, the cradle, the cradle, the cradle
Peace on earth, the cradle, the cradle
The Christ child born in glory

The Christ child passing, singing and singing
Singing and singing, singing and singing
The Christ child passing, singing and singing
The Christ child born in glory

Don't you hear the treetop, the treetop
The treetop, the treetop, the treetop, the treetop
Don't you hear the treetop, the treetop
Soft like the south wind blowing
